

Free Software

Lexia Reading Software

Find out how Lexia helped schools win awards in Tameside by using our software to overcome reading difficulties and motivate children.

Special Discounts

Thursday, 22nd November, 3.45 P.M.

St Raphael's Catholic Primary School,
Huddersfield Road,
Stalybridge, SK15 3JL.

All participants will receive free software worth £75 to support training activities. In addition, one school represented will leave with a free copy of our 'Reading Strategies for Older Students.'

Schools can trial our software without obligation.

Schools purchasing our software will be offered an extra 10% discount.

If Lexia is used little and often on a regular basis, children advance on average at twice the rate as non users.

Lexia is great for value added evidence.

Lexia motivates children of all ages and abilities.
